YOUR QUICK-START GUIDE

1. COMPLETE YOUR BUSINESS PROFILE

Add your logo, cover photo, description and contact details.
The more complete your profile, the higher you rank.

2. ADD YOUR SERVICES AND PACKAGES

Show customers what you offer so they can book or order in one tap.
List prices, menus, packages or services.

3. GENERATE YOUR ONBOARDING BRAND KIT

Open Studio to build your brand kit, digital card, smart QR,
social posts, flyers, posters and more.

4. SHARE YOUR PROFILE AND GO LIVE

Post your profile link, card and QR on WhatsApp and social media.
Customers land straight on your live profile.

5. GET FOUND ON GOOGLE

Your public profile is indexed, so new customers can find you.
Keep it updated to rank higher.

6. GROW WITH MARKETING AND AI TOOLS

Campaigns, promotions, content planner, reviews, loyalty and
analytics - all built in and ready when you are.
